Fabric Painting: Do you have old furniture woes? "You like the piece, just dislike the fabric, or it has old stains that just won't come out." The cost of reupholstering is just not in the budget. We have a beautiful solution, and it is "called painting your fabric." Does the sound of that intimidate or frighten you at the thought or give you a vision of the disaster this could result in? We want to ease your mind and show you how to transform your fabric with paint. The cost is \$45 per person. The class will be held on both days; the maximum number of students allowed per class is 20. This class will include class supplies.

Paneling Transformation: Does your house look like it never left the 70s with all that old dingy paneling? The thought of ripping it out and then putting up drywall sounds like a lot of work and a considerable expense. We have a solution to transform it with a bit of work and some paint. If you would like to reclaim comfort in your space and make your home feel more inviting, we welcome the opportunity to have you be a part of this class. The cost is \$45 per person. The class will be held on both days; the maximum number of students allowed per class is 20. This class will include class supplies.

Essential Oils: This class will be informative and educational. If you want to learn more about essential oils or just gain some new information and ideas, this is the class for you! The cost is \$20 per person. The class will be held on both days; the maximum number of students allowed per class is 20.

Gardening and Plants: Want to learn what a garden and plant expert has to say on this subject? Do you have gardening concerns or questions? If so, then this class is for you. This will be very informative for everyone, from the novice to the expert. The cost is \$20 per person. The class will be held on both days; the maximum number of students allowed per class is 20.

Furniture and Kitchen Cabinet Transformation: Do you have an ugly old piece of furniture that would be great if it just looked a little different? We want to show you how to transform your furniture with paint and change the hardware "Knobs and drawer Pulls." We will show you creative techniques and faux techniques. We will also show you how to transform those ugly kitchen cabinets with some paint. The cost is \$45 per person. The class will be held on both days; the maximum number of students allowed per class is 20.

Home and Small Business Ads and Marketing: Come and learn about trends in the ad and marketing sector so that you know what is appealing to a reader and what to avoid. How an ad looks, colors used, presentation/orientation of layout, amount of text, white space, font style, etc., play a critical role in an effective ad presence and product branding. If you want to learn more so that you aren't unknowledgeable or uninformed when speaking with ad experts and know what would best meet your advertising needs, then this informative class is for you. The cost is \$45 per person. The class will be held on both days; the maximum number of students allowed per class is 20.
